Submission & Publishing Process

1. Pitch Your Idea

Send us a brief outline or article title suggestions. If the topic fits our audience, we'll approve it and let you proceed.

2. Submit Your Article

Send your draft in **Google Docs** or **Word format**. We'll review the content and get back to you.

- If it's **approved**, we'll **move to the payment step**.
- We'll ask you to revise and send the final version if edits are needed.

3. Payment

Once your article is accepted, we'll send you payment details. **100% upfront payment is required** to proceed.

4. Publishing

After completing the payment, please send us a screenshot as proof. We will publish your article **within 2 working days** and share the live link with you.

5. Article Revisions

You have **2 working days** after publication to request any modifications. Edits beyond this window may not be accepted.

🤝 We're open to long-term collaborations with quality content creators. Please **contact us on Telegram or WhatsApp** for faster communication and custom pricing.
